UMAPINE RESIDENT PASSES AWAY AFTER YEARS OF ILLNESS

MRS. R. K. BRADY, 55, SUCCUMBS TO CANCER; FUNERAL IS HELD TUESDAY.

She Was Born in Ohio; Two Daughters Survive; Family Reunion Is Held at Home of Grandma Allan; Graduates Are Addressed by Professor of Whitman College.

(East Oregonian Special.) UMAPINE, Ore., May 17.—The funeral of Mrs. R. K. Brady took place Tuesday afternoon from the Church of God at Walla Walla at 2 o'clock. Mrs. Brady died Sunday evening after a long illness from cancer. She was 55 years of age and was born in Ohio. Twenty-eight years ago she was married to Mr. Brady and two daughters survive her mother, Mrs. D. Piper of Baker, Ore., and Mrs. Irma Pershall of Spokane county. Mrs. Brady was formerly Susan Sykes and was a sister of Frank Sykes formerly of Milton and now of Corvallis. She also has several brothers living in the east. Her demise is regretted by all who knew her and she has many friends who mourn her loss. Interment was made in Mountain View cemetery.

Sunday the home of Grandma Allan at Umapine was the scene of a family reunion dinner. Mrs. Allan who has been ill for some time is recovering and several daughters who have not been at home for years were present. Mrs. Jones of Spokane and Mrs. Phillips of California and Mrs. Cahill of Dayton as well as the family of Mr. and Mrs. John Allan and Mr. and Mrs. Jim Oliver of Prescott. Roy Phillip of Early, Oregon, is the guest of his sister Mrs. Guy Young this week.

Miss Myrtle Sneave who has been the popular teacher at the Hudson Bay school this winter leaves Thursday morning for her home at Portland, Ore. Miss Sneave has been re-engaged as teacher again next year.

Sunday night the Presbyterian church of this place was crowded to the dome, the occasion being the Baccalaureate sermon which was preached to the graduates by Rev. Dr. Bleakney, professor of Greek at Whitman college. Special music was enjoyed. On this Wednesday the Vincent school held an all day picnic in

Gallagher's grove and a big basket dinner was served the hosts of young folks. On Thursday night the graduating exercises of the high school will be held. Judge Lowell of Pendleton to make the graduation address. The graduates are Cynthia Rose, Harry Wellman, Homer Nolan, Marjorie Schubert, Warren Records and Wayne Hopkins.

Germans Begging Food. GENEVA, via Paris, May 19.—German soldiers along the Swiss-Alsatian frontier, chiefly elderly men of the landsturm, have begun to ask for food from Swiss soldiers. The Germans say they have not eaten meat for weeks.

Five German soldiers in uniform, although fired on, escaped across the Swiss frontier at Roderdorf, near Basel. They were interned at Berne. The Neue Stuttgarter Zeitung says the food situation in Rhine towns is becoming intolerable. The newspaper advises the government to take drastic measures to change the mode of living of the people. It suggests that cooking in private families be prohibited and that the population be ordered to eat in common restaurants, where meat would be served once daily, at noon, and only vegetables in the evening.

COLD CAUSES LIGHT FLEECES THIS YEAR SAYS SHEEP GROWER

AMOUNT OF WOOL, HOWEVER, WILL BE UP TO NORMAL THIS SEASON.

While the amount of wool in Baker, Malheur, Union, Grant, Morrow, Umatilla, Gilliam, Wheeler, Harney and Lake counties will be practically up to normal as far as the actual quantity of fiber is concerned, it will be from 15 to 20 per cent lighter in weight, according to R. N. Sanford, prominent sheepman, who was in the city today. The loss in weight, Mr. Sanford declared to be due to the late disintegration of cold weather, the lack of heat failing to bring out the grease in the wool, and the fleeces not having the customary opportunity to catch up dirt.

In the 19 eastern Oregon counties in which sheep raising is important, Mr. Sanford estimates the total clip at about 9,000,000 pounds. After a careful survey of the wool field, he

Cottolene

"The Natural Shortening"

Every time you find pie crust made with Cottolene as shortening you realize that pastry-cooking is not yet a lost art.

A pie crust shortened with Cottolene does full justice to the apples, peaches, cherries, custard or other filling. Try it tomorrow for pie crust or biscuits, then you will use Cottolene for all your shortening and frying.

Arrange with your grocer for a regular supply; it is packed in pails of various sizes.

THE E. C. FAIRBANK COMPANY

"Cottolene makes good cooking better."

believes that virtually the entire amount has been contracted. "Buyers have been working quietly but rapidly and growers have sold out the biggest part of their holdings at prices averaging from 21 to 21 1/2 cents for fine and 28 to 31 cents for coarse wool," he said.

MANY ACHES AND PAINS COME FROM SICK KIDNEYS

NEW URIC ACID SOLVENT QUICKLY RELIEVES ALL SUCH TROUBLES.

The greater part of all sickness can be avoided by keeping the kidneys working properly. This is as important as keeping the bowels moving regularly, because the kidneys and bladder are the filters and sewers of the body. It is their duty to clean the blood and keep it pure. Not to make new blood—the food we eat does that—but to remove from the blood impurities it has gathered up during its passage through the body. All the blood in the body passes through the kidneys once every three minutes. There it is filtered, and when the kidneys are healthy, they remove about 500 grains of impure matter daily; but if for any cause this cleaning process is interfered with, the evil effects of the poisons retained in the system soon are apparent. Though the kidneys were the first cause of the trouble, it does not follow that the symptoms experienced will be connected with them, for the poison, having been carried into the general system, the weakest part of the body is generally the first to break down. Here then we have the cause of very many cases of rheumatism, stone, dropsy, gravel, urinary

troubles, backaches, headaches, swollen joints and a number of other every-day complaints.

It will readily be seen, then, that there will be disease so long as waste matter remains in the system. Before the patient can be cured this waste matter must be cleared out of the system, the blood must be purified and so made to impart full strength and vigor to every part of the body.

It was to meet just these conditions that the new prescription, Solvax, was placed on the market. Solvax is more than just a kidney remedy. It is made up of a number of quick-acting but thoroughly safe ingredients that aim to reach the seat of all kidney and bladder trouble and all painful disorders that are a direct result of clogged-up or improperly working kidneys. Solvax overcomes the very worst cases because it removes the cause. You will find its results entirely different from anything you have ever used. There is nothing else how old you are or how long you have suffered, Solvax will show results. You can obtain an original package of Solvax from Tallman & Co. or any other reliable druggist in Pendleton or vicinity, under a guarantee of satisfaction, or money back.

Saturday Bargain Festival

THESE SATURDAY BARGAIN FESTIVALS ARE BECOMING LARGER FROM WEEK TO WEEK AND THOSE OF YOU WHO HAVE ATTENDED REGULARLY KNOW WE ARE OFFERING UNTOLD OF VALUES FOR THE PRICES ASKED.
